CAREER GUIDANCE AND PLACEMENT CELL

An important part of the mission of the Institute is to improve the quality of the graduate student experience. To that end, we spend a considerable amount of time talking with students about their goals, concerns, and suggestions for improving their experience. The Institute is working towards enhancing the institutional culture to better serve the needs of an ever-changing and dynamic learning community. The Institute offers career guidance on all aspects of career planning, job searching, and post-graduate studies. We provide individual counseling through scheduled appointments. Career Guidance and Placement cell (CGPC) of the college functions with the objective of providing guidance and assistance for the students to achieve their career goals. It provides awareness on higher studies, self-employment and job opportunities. The unit takes adequate steps in identifying the current demands of the industry and prepares students towards this need. Adequate emphasis is given for softskill development complementing the regular academic performance since we identified a gap in students.

As per the direction of Management of Minerva College of Pharmacy, Indora, District Kangra (HP) the following members are hereby deputed for career guidance and placement cell.
